2. Jan Dommering (NL)	4:2	1197/52	23,01	25,00	140

4. Gaston de Doncker (BE)	0:6	854/65	13,13	---	80

400 Points without equal innings. Round robin.

Tournament average (play-off): 17,78 (3646 / 205)

The tournament suffered from the cancellation of the three top French players. "Charles Faroux, the reigning world champion in motor racing, was preoccupied by the organization of the Targa Florio (a famous car race), Albert Corty was prevented by business, Edouard Roudil reportedly had no time to play, nor did his friend Jean de Gasparin. Both, however, found time enough to watch the tournament games from start to finish and shrug their shoulders as their compatriots were beaten by the stronger foreign competitors." - so the contemporary commentary.

Their absence and the event hall located outside the center led to very little public interest, which even the "forced" participation of Charles Darantière, who actually no longer wanted to play a championship, could not change.
