250 points equal innings. Two groups of 6 players. Semifinal, final, 3rd place match, placement games.

Tournament average: 27,25 (14061 / 516)

Details

In the event of equal match points, the direct comparison was decisive for the ranking within the groups - a procedure that completely disregarded the general average. What's more, these rules were not announced at the start of the tournament and the players concerned were only informed half an hour before the decisive match.
