Japan's Yoshio Yoshihara came close to breaking the best game world record of 60 points in 24 innings (2,500) held by Raymond Ceulemans. Against Legarda he had 40 points in 10 innings and 50 after 14. At 17 it was 56 points, and then he lost the thread. He needed another 8 innings for the last 4 points and was one inning above the world record. In the end it was "only" a best game of 2.400.
