3 winning sets of 15 points, KO-System with 3rd place match.

Tournament average: 1,289 (2966 / 2301)

It was the first World Championship in three-cushion after almost 10 years of permanent conflict between UMB and BWA, in which all players were eligible to participate again - the so-called professionals of BWA and the so-called amateurs of UMB.

It was the first world championship in three-cushion where a player exceeded the magic limit of two in the general average.
