Details

This year, the sports political situation of the international federations also had an influence on this tournament. Due to the conflict between the BWA (Billiards World Cup Association) and the UMB (Union Mondial de Billard) as well as the CEB (Confédération Européenne de Billard), numerous players were banned and were therefore not permitted to play in this world championship. It was not until 1998 that an agreement was reached and all international stars were able to compete again.
