

The World Championships 5-Pins - Ladies

World championships in the 5-Pins discipline (initially Casin) have been held since 1965. A world championship in this discipline for women was only introduced in 2023.

Even after this first world championship in Hall (AT) in 2023, it became apparent that the Italian players were dominating the field. It remains to be seen whether players from other nations will also be able to win the world title.
