40 points. 24 National teams with two players in 8 groups. Quarterfinals, semifinals, final. Each match (2 games): player A1 against B1 / player A2 against B2.

Tournament average: 1,244 (4148 / 3333)

In the finals, the average do not played a role in the awarding of match points of the team. If there was a tie on game points, a deciding set up to 15 points was played in a new format, the "Scotch double". Here, the players of a team took turns to play each shot. Points and innings of the "Scotch Double" were not taken into the ranking.
