

## **World Championship National Team** **- Coupe Glorieux -**

**1939/1940**

At the general assembly of the UIFAB, Union Internationale des Fédérations d'Amateurs de Billard, on 11th/12th August, it was decided to organize another World Championship National Team (Coupe Glorieux) for the 1939/1940 season. The first matches between France and Germany as well as the Netherlands and the winner of the first match were to take place from December 8-9, 1939 in Aachen and from January 12-13 in Amsterdam.

The beginning of the Second World War not only ruined these schedules, but also made any international sporting activity impossible.
