Details

There were 32 players at the tournament: seeded players and players from qualifications.

This World Cup tournament was canceled at relatively short notice due to renewed conflicts between the UMB and BWA, which resulted in numerous players from Europe as well as North and South America leaving. Shortly before the actual start, an agreement was reached and the tournament took place. The players who were now missing - especially for the qualifiers - were replaced by Colombians brought in in a hurry.
