## Details

There were 16 players at the final tournament: eight seeded players and eight players from the qualification.

The matches of the main tournament were arranged by drawing lots.

The winner of this tournament received a starting place for the World Cup season. However, as only two players per nation are allowed in the World Cup, Laurent Boulanger (BE) did not qualify for the World Cup despite his success, as Raymond Ceulemans and Ludo Dielis were already two Belgians among the BWA players. The defeated finalist, Avelino Rico (ES), therefore received the starting place in the World Cup.
