## Details

Seven players were seeded for the final round and another nine were determined via qualifying rounds.

If a set was finished in the one inning, a follow-up shot was played. If this set still ended in a tie, the decision was made by tiebreak (opening shots). If there was no winner after 10 opening shots, a rail decision followed, which was the case twice, and three times only the tiebreak decided.

The set points were awarded as follows: three set points for a 2:0 set win, two points for a 2:1 win, and one point for the loser.
